The “Change of Control Conversion Date” is the date the Series A Preferred Stock is to be converted, which will be a business day selected by the Issuer that is no fewer than 20 days nor more than 35 days after the date on which the Issuer provides the required notice of the occurrence of a Change of Control to the holders of Series A Preferred Stock.

The “Exchange Cap” is the aggregate number of shares of the Issuer's common stock (or equivalent alternative conversion consideration, as applicable) issuable or deliverable, as applicable, in connection with the exercise of the Change of Control Conversion Right. For the avoidance of doubt, subject to certain adjustments, the Exchange Cap will not exceed 10,260,000 shares of the Issuer's common stock (or equivalent alternative conversion consideration, as applicable), subject to proportionate increase to the extent the underwriters' over-allotment option to purchase additional shares of Series A Preferred Stock is exercised, not to exceed 11,799,000 shares of the Issuer's common stock in total (or equivalent cash, securities or other property or assets (including any combination thereof), as applicable).
